

## Objective:

To begin my career as a Manual and Automation Tester, contributing to the software quality process using Selenium WebDriver, Java, and TestNG, while continuously learning new automation frameworks and testing techniques. I also expected to learn for my overall development and growth.

## Manual Testing Skills:

- Good Knowledge of Software Development Life Cycle (SDLC) and **SoftwareTesting Life Cycle (STLC)**.
- Knowledge about **Agile Methodology** and **Waterfallmodel**
- Good knowledge about **White-Box Testing, Black-Box Testing, Grey-Box Testing**.
- Good Knowledge on **Smoke Testing, Sanity Testing, Integration Testing, Regression Testing, Functional Testing, UAT Testing, Globalization and localization Testing**.
- Having Knowledge about writing Test Cases by using various Test Case
- Design Techniques and Requirement Traceability Matrix (TRM).
- Sound knowledge about **Test Case Execution Process, Bug Life Cycle, and Test Plan**.
- Knowledge about detecting Bugs and classifying them based on the Severity and Priority.
- Knowledge about Agile Ceremony and Agile Artifacts.
- Having Knowledge of Defect Management Tool i.e. JIRA

## Automation Testing Skills :

- Good knowledge on **Object Oriented Programming (OOPs) concept**. Good knowledge of Core Java programming Language And also having knowledge of String, Exception Handling, Array, Collection in java.
- Knowledge in **Automation Testing** using **Selenium Web-Driver**.
- Basic Knowledge of designing of **POM (Page Object Model)** classes. Basic knowledge **Test NG, Annotation and keywords**.
- Knowledge in Writing Test scripts and Test scenarios in Selenium Web-Driver using Java.
- Expertise in identifying web elements using **Locators like Xpath, id, class name, tag name with Core Java** and **Selenium Web-Driver** methods.
- Having knowledge about Repository Management tool like GitHub. Knowledge of Handling Synchronization (implicit, explicit).
- Knowledge Project Building tool which is Maven.

## Technical Skills :

- Languages : **Java.**
- OS Platform : **Window,linux.**
- Testing tools : **Selenium, Postman, JIRA.**
- Other Tools : **AWS,Jenkins,Docker.**

## Qualifications:

- **Bachelor of Science (B.Sc)** **2024**
- **HSC** **2020**  
Maharashtra State Board
- **SSC** **2018**  
Maharashtra State Board

## Personal Information:

Date of Birth : **23 May 2002.**  
Gender : **Male.**  
Languages : **Marathi, Hindi, English.**  
Marital Status : **Single.**  
Nationality : **Indian.**  
Strengths : **Self-Motivated, Dedication towards the work.**  
Permanent Address : **Sullali post.Atnur tq.Jalkot Dist.Latur**

## Certification:

- Successfully completed a Certificate in **Software Testing.**

## Declaration:

- I am declare that all the information mentioned above is true to the best of my knowledge.

Place: **Pune.**

**Devashish Patil**
